PROFESSIONAL EXPERIENCE

Cadence13 | Remote
Web Developer | June 2021 – Present

♦ C13features.com – Constructed the Website for this highly visible, podcast movie concept site with HTML, CSS, and JavaScript.
♦ Shows.cadence13.com – Created and updated micro-sites hosting podcasts with Python/React and Jenkins/Docker Pipeline.
♦ Cadence13.com – Updated, maintained, and improved the company's website, including all site content with WordPress.
♦ Wecandohardthingspodcast.com – Leveraged a Cornerstone Theme in a WordPress environment to maintain the site.
♦ Rambleofficial.com – Project Lead over the establishment of a dedicated influencer website with HTML, CSS, and JavaScript.
♦ Sofiafranklyn.com – Performed basic CSS maintenance and updates on the client's Shopify store.
♦ Evaluated and edited all websites to align with ADA Compliance best practices and to ensure mobile responsiveness.
♦ Performed root cause analysis to troubleshoot issues with third-party vendors related to Podcast player functionality.
♦ Facilitated bi-weekly meetings with cross-functional stakeholders to discuss SEO strategies, performance, and changes.

ThriveDx | Multiple Locations (Old Dominion University, North Carolina State University, University At Buffalo)
Associate Instructor | May 2022 – Present

♦ Facilitate co-teaching programs as part of a software development bootcamp for American universities.
♦ Serve as a subject matter expert for website development tools and technologies as well as Agile methodologies/frameworks.
♦ Promote a professional learning culture grounded in adult learning theory and cutting-edge web development instruction.
♦ Assist the Lead Instructor with managing classroom learning and the creation of teaching materials.
♦ Provide instruction, guidance, and advisement to students on the JavaScript, HTML, JavaScript Milestone project and CSS Frameworks modules.
♦ Create and deliver student assessments, testing, and analysis of progress performance.

ADDITIONAL WEB DEVELOPMENT PROJECTS

Newecom.herokuapp.com | Created an e-commerce site with search, PayPal integration, authentication, & an admin dashboard.
Zest_Cocktails App (Link) | Created a mock Craft Cocktail App with React Native, Android Studio, and Redux.
